MANAGING PEOPLE, PROCESS, AND PERFORMANCE

DiSC® Management Strategies offers practical new strategies for effectively managing behavioral differences in today's fast-paced work environment. This flexible, easily integrated program has been shown to enhance individual and team performance by improving communication, reducing conflict, and increasing productivity.

BOOST MANAGEMENT EFFECTIVENESS

DiSC Management Strategies can be used as a stand-alone program or as an addition to your current management or team training to help individuals:

- identify and resolve four types of conflict
- understand their natural work behavioral style and develop an action plan for self-management
- learn people-reading techniques and strategies for managing others based on their behavioral style
- identify the behavioral needs of a specific job
- apply performance management approaches based on levels of motivation, ability, and style
